MEMBER NEWS

PNDC CYBERSECURITY UPDATE

PNDC continues to actively collaborate and advocate for assistance for our members to comply with emerging cybersecurity requirements from the Department of Defense and for supply chain flow-downs. Thanks to our partners in Impact Washington, Oregon Manufacturing Extension Partnership (OMEP), Business Oregon, and Washington Department of Commerce we have been able to arrange grant support for cybersecurity consulting and workshops for dozens of members. To find out more about these programs and other benefits of being part of the PNDC community contact membership@pndc.us.

LEADING LADIES OF...DEFENSE | THANK YOU!

Last Thursday, PNDC was proud to partner with McKay Unlimited to bring the first-ever Leading Ladies Of...Defense event to over 500 attendees across the globe. We are thankful for those who attended, our sponsors support, and our outstanding line-up of speakers who brought our event to life!

Thank you to PNDC's Sustaining Members and Supporters who provide expertise, support and leadership within our community!
