MEMBER NEWS

PNDC's 2019 Annual Report celebrates the work we have done together over the past year.

This year, we've completely refocused on how we support and drive success for our members. With this focus, we invested in a brand identity that captures the strength and unity of our network. We are proud to represent the most comprehensive defense network in the Pacific Northwest and thank you for your membership and support!

In a recent post, PNDC Member Tom Cornelius of ComplianceForge shares information on the Department of Defense's (DoD) New Cybersecurity Maturity Model Certification (CMMC) that encompasses five cybersecurity levels, that range from "Basic Cybersecurity Hygiene" to "Advanced," and includes a requirement for all DoD prime and subcontractors to be certified.

"At ComplianceForge, we field a lot of questions regarding NIST 800-171 compliance and the DoD's [Cybersecurity Maturity Model Certification \(CMMC\)](#) version 1.0 that was released on 31 January 2020. The information in this article relates to the common questions surrounding what CMMC is and how CMMC relates to NIST 800-171...[read more](#)"
