Please allow ample time to find a parking spot since the airport parking garage is busy. Park in general parking (*you are likely best able to find parking on floors 1, 2, 7 & 8*). If possible, park at the very south end of the airport garage, near the yellow or green elevators (**do not park on the 4th floor**). The 1st floor, green parking section says “Restricted Parking,” yet during this busy time in the garage will be available for your use, please feel free to park here.
