MARCO Ideas Unlimited Named Among *PPB* Magazine's Greatest Companies To Work For in 2017

PORTLAND, OR., (June 9th, 2017) - The team of MARCO Ideas Unlimited is proud to share some exciting news! We were recently named one of the 60 Greatest Companies To Work For 2017 by **PPB** (Promotional Products Business) magazine.

PPB recognitions are based on employee responses to an online survey exploring several key areas, including engagement, effectiveness, leadership, ethics, pay, benefits, training and work/life balance. **PPB** is the industry's flagship publication published by Promotional Products Association International (PPAI; ppai.org), the not-for-profit association for more than 14,300 corporate member companies and more than 510,000 industry professionals who lead the \$21 billion industry.

MARCO Ideas Unlimited has strived to stand apart from other promotional products distributors by giving clients a unique experience and involving them in the process as much as possible. Considerable thought and attention to detail go into every order including the process of coming up with creative ideas, preparing artwork, and ensuring timely delivery.

That mentality is carried on behind the scenes with how the employees are cared for. With competitive pay, tuition reimbursement, company outings, flex time, and wellness benefits, MARCO has demonstrated that happy employees make for a healthy bottom line.

MARCO Ideas Unlimited, founded in 1959, is one of Oregon's top promotional products distributors, and is certified as a women-owned business. For more information please visit MARCOpdx.com and find us on Facebook, Pinterest, and Instagram.
