# SciTech Northwest '16

**LET'S CREATE THE FUTURE**

with **W** UNIVERSITY of WASHINGTON and

**SAVE THE DATE!**

In partnership with  TechAlliance

SciTech Northwest '16 is the region's first science and technology expo that highlights the latest innovations in **cyber/data analytics, clean energy, and biotechnology** from three premier Washington research institutions.

Inventors and commercialization experts from Pacific Northwest National Laboratory, University of Washington, and Washington State University will showcase more than 15 exciting new technologies with hands-on demonstrations. Attendees from businesses, industry, and universities will learn about opportunities for collaboration and technology licensing. This Technology Alliance event includes featured speaker **Matt McIlwain**, Managing Director of Madrona Venture Group.

**Wednesday, November 9, 2016**  
**from 3:30 PM to 7:00 PM**

**The Edgewater Hotel**  
**2411 Alaskan Way, Seattle, WA 98121**

This is a free event, but space is limited.
